

WHAT TO DO IF A STORM SURGE IS FORECAST

- Check supplies including medications, radio, flashlight and batteries.
- You may have to evacuate. Keep your emergency kit close at hand.
- Make sure the basement windows are closed.
- Fuel your car. If evacuation becomes necessary, it will be hard to stop for gas.
- If you have any questions or need to know more about evacuation procedures, contact your local emergency management organization, or police or fire department.
