

2021 TREE ORDER FORM

Greening Communities provides landowners with the opportunity to “green” their property through the planting of native tree seedlings at an affordable rate. Planting trees is important in achieving a healthier, greener Municipality.

Personal Information

Landowner Name: _____

Mailing Address: _____
(Please include 911# if applicable)

Town/City: _____ Postal Code: _____

Phone Number: _____ Email Address: _____

Municipality: Central Elgin Malahide St. Thomas Southwold

Species Selection

Greening Communities offers landowners the opportunity to purchase **a minimum of 20 bareroot tree seedlings** to plant on their property. **Species must be selected in multiples of 10.** Orders of over 200 trees can be done through existing Conservation Authority programs. Trees have been preordered and stock is limited. Orders are taken on a first-come, first-served basis.

Tree Species (bareroot seedling)	Size (cm)	Cost/Tree	Quantity (Min. 20 trees, 10/ species)	Total
White Spruce	25-35	\$1.30		
Norway Spruce	25-45	\$1.30		
White Pine	25-45	\$1.30		
White Cedar	25-45	\$1.30		
Sycamore	60-90	\$2.00		
Freeman Maple	70+	\$2.00		
Sugar Maple	60-90	\$2.50	Sold Out	----
Red Oak	60-90	\$2.00		
Tulip Tree	60-90	\$3.00		
White Birch	60-90	\$2.00		
Eastern Redbud	60-90	\$2.80	Sold Out	----
Red Osier Dogwood	60-90	\$1.50	Sold Out	----

Species Guide

Coniferous Trees	Description
Norway Spruce	<ul style="list-style-type: none"> • dark green needles and distinctive drooping branches • commonly used in windbreaks • relatively fast growing • introduced evergreen to Canada • grows to 30 m (100 ft)
White Cedar	<ul style="list-style-type: none"> • yellow to green flat scale-like foliage that turns bronzy green in winter • popular windbreak and hedge species that can be easily pruned • grows well on a variety of soil types and moisture conditions • browsed by deer • grows to 15 m (50 ft)
White Pine	<ul style="list-style-type: none"> • clusters of 5 soft, long, bluish-green needles • excellent in block plantings but not recommended for windbreaks • sensitive to road salt and air pollution • grows up to 35 m (115 ft)
White Spruce	<ul style="list-style-type: none"> • short, bluish-green needles • keeps a nice shape with a compact form • commonly used in windbreaks • slower growing than Norway Spruce • grows to 25 m (80 ft)

Deciduous Trees	Description
Eastern Redbud	<ul style="list-style-type: none"> • known for its spectacular pink spring flowers • leaves are broadly heart-shaped and branches are zigzagged • grows up to 8 m (25 ft)
Freeman (Red/Silver) Maple	<ul style="list-style-type: none"> • naturally occurring hybrid of native Red Maple and Silver Maple • green summer leaves turn blotchy red and yellow in autumn • relatively fast growing tree that tolerates a wide range of soil conditions • grows to 25 m (80 ft)
Red Oak	<ul style="list-style-type: none"> • bristle tipped lobed leaves turn bright red in autumn • nuts used by wildlife • grows up to 28 m (90 ft)
Sugar Maple	<ul style="list-style-type: none"> • excellent shade tree with strong branches and spectacular orange-red fall colour • sensitive to salt and air pollutants • grows to 30 m (100 ft)
Sycamore	<ul style="list-style-type: none"> • bark is strikingly mottled • usually found in low wet areas with rich soils, usually in floodplains • relatively fast growing and moderately shade tolerant • grows up to 35 m (115 ft)
Tulip Tree	<ul style="list-style-type: none"> • showy tulip-shaped flowers in May/June • fast growing and has a unique leaf shape • grows up to 35 m (115 ft)
White Birch	<ul style="list-style-type: none"> • can grow as single trunks or as multi-stemmed clumps • intolerant of shade • creamy-white bark that peels easily into large sheets • grows up to 25 m (80 ft)

Wildlife Shrubs	Description
Red Osier Dogwood	<ul style="list-style-type: none"> • low shrub with bluish-white autumn berries that are enjoyed by birds • attractive red stems are striking against winter landscape • grows on damp sites and roots help to stabilize eroding soils • grows to 2-3 m (6-10 ft)
